

# BSBSS00103

## New Business Ventures Skill Set

Designed for Year 11 & 12 Students

1 QCE Credit

A nationally recognised course  
for future entrepreneurs  
& business owners

# Learn the essentials for establishing your own start-up or small business

## About the course

This skill set comprising four units of competency will equip you with the knowledge and skills to turn your small business ideas into reality.

Our program is designed to provide the tools, support, and community you need to 'start up' your business and succeed.

### You'll commence four modules:

1. BSBESB301 Investigate Business Opportunities
2. BSBESB302 Develop and Present Business Proposals
3. BSBESB303 Organise Finances for New Business Ventures
4. BSBESB304 Determine Resource Requirements for New Business Ventures

## Here's why

- Learn how to transform your ideas into a thriving business.
- Harness the power of social media to promote your business.
- Gain practical knowledge from our experienced trainer.
- Connect with like-minded young entrepreneurs and stay connected after the training.
- This accredited skill set is recognised across Australia.
- Provides 4 units of credit pathway into the BSB30220 Certificate III in Entrepreneurship and New Business qualification.
